

# Energy Letter of Authority

## To be completed prior to the commencement of our analysis:

Fairnet Commercial Services are hereby authorised to deal direct with suppliers, distributors and meter operators in connection with our utilities. This is their authority to request and obtain data from those organisations relevant to the supply of these services and to offer notice to our existing supplier should we choose not to renew with them (If in doubt call the customer services number on your bill to clarify your position before placing any order). This authority will continue to remain in force for future contract renewals unless otherwise stated in writing by our company.

**This letter does not give Fairnet authority to change supplier. Fairnet will not and cannot sign or authorise new contracts or agreements without your prior agreement in writing:**

### Fairnet Commercial Services Terms and Conditions

#### Fairnet's commitment to you:

Our position as a specialist energy broker and consultancy means we are able to negotiate favourable tariffs for our clients. Our income is derived purely from fees paid by energy suppliers; we do not charge our clients for our services. We will always present the best prices we find available in the marketplace.

#### Your commitment to us:

By submitting your information to Fairnet Commercial Services Ltd, you are agreeing to Fairnet Commercial Services Ltd acting as your agent for energy negotiations. Any prices negotiated on your behalf are exclusive to you (The Client) and us (Fairnet Commercial Services Ltd) and therefore any subsequent contracts of supply must be made through us. Should any tariff negotiated by us be concluded by The Client directly with the supplier we reserve the right to seek recompense from The Client equivalent to any commissions which would have been payable.
